EYE OF RA Logo

Exact Pixel Ratios for Common Usages

Minimum Size

To maintain readability and visual clarity, the Eye of Ra logo should not be displayed below the recommended minimum sizes.

Digital Minimum Size
120 px width

Print Minimum Size
30 mm width

For very small applications such as favicons, labels, or watermarks, the symbol-only version of the logo may be used.
Using the logo below the minimum size may affect legibility and weaken brand recognition.
